- ACM Europe
  - Judith Gal-Ezer,   Andrew McGettrick
- Informatics Europe
  - Michael Caspersen,   Enrico Nardelli (IE President)
- CEPIS
  - Austeja Trinkunaite / Ulrik Locke, Gerald Futschek
- Advisor: Bobby Schnabel

informatics for **all**

Background

- *Informatics for All* is a Coalition, consisting presently of ACM Europe, Informatics Europe, and CEPIS (the Council of European Professional Informatics Societies)

- Following an extensive survey of the state of Informatics education across Europe, a strategy for *Informatics for All* had been produced and launched.
